★ SPRING AWAKENING 15-24 September 2016
The VCA’s Music Theatre Company 2016 and Production invite to join us for the opening night of Spring Awakening. Based on the German play by Frank Wedekind, Spring Awakening has evolved into an infamous rock musical, with music by Steven Sater and book and lyrics by Duncan Sheirk.
It is Spring 1891 in Germany and we are introduced to a group of German teenagers on the cusp of adulthood; charismatic Melchior, naïve Wendla, and their circle of friends.
We follow them as they discover themselves, each other and experience their own sexual awakenings, the results of which clash with the strict social attitudes of turn-of-the-century Germany.
Since its off-Broadway debut in 2006, Spring Awakening has been performed world over, including highly successful Broadway and West End seasons. It has won numerous Tony and Oliver Awards.
Warnings: Frequent course language, adult themes, corporal punishment, simulated smoking, simulated sex. To book your staff tickets follow the EventBrite link
