1. RESOURCES AND SUPPORT

★ ALREADY USING ENDOOTES OR JUST CURIOUS ABOUT IT?
The Library is holding two **Refresher Workshops** in October for both experienced users and those new to using Endnote. The workshops take place at **Southbank** and will cover topics ranging from beginners to advanced skills depending on the need of the participants. A pre-workshop survey will be emailed to registered participants at least 24 hours before the workshop to help us plan around your needs.

Please register your attendance via the **Library Catalogue**.

**Dates:**
Tuesday October 11, 11am-1pm  
Tuesday October 18, 2pm-4pm

*These are repeat sessions so you only need to register for one of them.*

Workshops will be held in a computer lab on the Southbank campus. You can also bring your own laptop with Endnote already installed (click here for details on **downloading and installing Endnote**).  

Other classes can be found on the Library's Classes page: [http://library.unimelb.edu.au/services/classes](http://library.unimelb.edu.au/services/classes)

3. FUNDING, RESEARCH AND CAREER OPPORTUNITIES AND OUTCOMES

★ FIKA- INTERNATIONAL GRANT FUNDING
The International Grants Team is looking forward to hosting another informal coffee, cake and ‘grants’ session with researchers who are keen to apply for international grants. These are monthly sessions in which we chat with researchers from different faculties about anything and everything in relation to international grant funding.

What?
The sessions are informal and there is no presentation; rather, the idea is for researchers to get to know us and what we do, and for us to find out about areas of potential research interest, to suggest funding opportunities to researchers, and to identify any communication gaps, issues, potential improvements etc. We will mingle, take questions, clarify processes and get to know each other.

When and Where?
On Tuesday, 4 October 2016 at 10:00 AM - 10:45 AM
Research, Innovation and Commercialisation - Red Kitchen
Level 5, Alan Gilbert Building
161 Barry Street, Parkville

Who?
Researchers are invited to attend this event. Seats are limited so we encourage researchers to sign up soon if they are interested. However, FIKA is an ongoing practice, so if anyone misses out this month, they can always come along next month or the month after.

How can you sign up?
An Eventbrite for this has been created. Participants can register their interest via http://www.eventbrite.com/e/fika-with-the-international-grants-team-tickets-28021165059
