3. Application and folio requirements

Please see VCA Production for information about application requirements.

4. Restrictions & Limitations

Students cannot go on exchange in the first or final year of their Production course.

Exchanges are normally only available for undergraduate students, as postgraduate courses are mostly single-year courses.

Production normally prefers that students go in the second year of their undergraduate Production degree.

Enrolment at the host institution must be equivalent to the Bachelor of Fine Arts (Production).

3. Exchange Partners with tuition relevant to Production students

NB These partners vary in the degree to which they offer equivalent programs to the Bachelor of Fine Arts (Production). Prospective exchange applicants are advised to check if the institution in which they are interested provides tuition that will meet their University of Melbourne course requirements.
